

REQUIREMENTS FOR OBTAINING A TRAPPING LICENSE

If you are applying for your first trapping license, you will be required to take and pass a supervised written trapping examination. The study materials needed to successfully take the exam are located online at www.dfg.ca.gov/wildlife/hunting/uplandgame/docs/CADFGTrappingGuideJan2009.pdf. The exam is designed to test your knowledge of the California laws and regulations pertaining to trapping and natural history of California furbearing and nongame mammal species authorized to trap. When you are ready to take the exam, contact the Department of Fish and Game office listed below for an appointment. **YOU MUST TAKE A COMPLETED TRAPPING LICENSE APPLICATION WITH YOU TO THE EXAMINATION.**

Upon passing the examination, mail the completed trapping license application, a legible copy of your identification and the appropriate license fee to the Department of Fish and Game, License and Revenue Branch, 1740 N. Market Blvd., Sacramento, California 95834. **THE LICENSE AND REVENUE BRANCH ONLY ISSUES LICENSES/PERMITS BY MAIL.**

A nonresident trapping license may only be issued if the state in which the nonresident resides provides for issuance of a nonresident trapping license to California residents. Also, a nonresident issued a California trapping license may take only those species, and may take or possess only that quantity of a species which a resident of California may take or possess under a nonresident trapping license or permit in the state of residence of that nonresident. Nonresidents must also provide a copy of their current state of residence trapping license.

The Department will assign you a permanent trap number. This number will be printed on your trapping license. Before using any traps, the permanent trap number must be clearly stamped on the trap, on a metal tag attached to the chain of the trap, or to any part of the trap.

Contact the License and Revenue Branch at (916) 928-5852 or spu@dfg.ca.gov if you need additional information about trapping.
